New Zealand China Friendship Society Inc

NZCFS National Newsletter:

NOVEMBER 2018

About Us

The New Zealand China Friendship Society is a membership group dating back decades, promoting goodwill, understanding, and friendship between our countries. The society welcomes anyone into our organisation who is interested in building relations across our borders

NEWS AND EVENTS

Explore China – the South-east Tour

[Subscribe](#)[Past Issues](#)[Translate ▼](#)

Hakka minority group round houses, the renowned Danongpao tea plantations in the dramatic landscapes of Wuyi mountains to the ultra-modern metropolises of Shanghai and Guangzhou. We travel by bullet train, air-conditioned coach, by foot through historic water villages, and drift on bamboo rafts. Keep some space in your luggage to bring home some modern pottery from the ancient kilns of Dingdezhen. Our tours are famed for seeking out the best of the diverse local cuisines of the regions that we travel through.

Featured Branch: Christchurch

Christchurch branch has a very active membership base and we meet on the last Thursday of the month at the Rewi Alley Education and Cultural centre 32 Matipo Street Riccarton.

We have a varied range of speakers at our meetings. Past speakers have included the Mayors of Christchurch and Ashburton as well as the Chinese Consul Generals from Christchurch.

Mourning dog waits for 80 days in road where owner died

Footage of the animal in the middle of the road in Hohhot, Inner Mongolia, has been viewed 1.4 million times on the popular Sina Weibo microblog.

China's Pear Video website said the dog has been seen in the road every day since its owner died on 21 August.

US overtakes China in top supercomputer list

[Subscribe](#)[Past Issues](#)[Translate](#) ▼

The latest list by Top 500, published twice a year, puts two US machines - Summit and

Sierra - in the top two places. The US has five entries in the top 10, with other entries from Switzerland, Germany and Japan.

However, overall China has 227 machines in the top 500, while the US has 109.
