Letter of Condolence

Deeply shocked to learn that a mass shooting in Christchurch on March 15th caused great loss of lives and property to the people of New Zealand. We condemn in the strongest terms this appalling, brutal and ruthless act of terrorism.

On behalf of the Chinese People's Association for Friendship with Foreign Countries and in my capacity of old friend of New Zealand people, I would like to express our deepest condolences to the victims of the Christchurch shootings and our most sincere sympathy to the bereaved families.

We believe New Zealand Government will stand strong to deal with the aftermath and believe New Zealand people will pull together to tide over the difficulties. Our hearts will be with our New Zealand friends forever!
